How do we communicate with each other while onboard the ship? The Carnival HUB is an app found in your play store and will allow us to communicate with our group and with individuals within the group while we're connected to the ships Wi-Fi. Currently, Carnival charges only \$5 per user for the length of your entire cruise. It truly is a wonderful way to stay in touch with group activities. (But, not required.)

NOTICE

This is a closed group, meaning only those guests who book with Themes and Dreams Travel will be admitted to our performances. If you book privately, you will save a few dollars while at the same time stealing from our wonderful Rennie performers.
